ANNUAL ENROLLMENT: APRIL 6 – MAY 4, 2016

DO YOUR HOMEWORK DURING ANNUAL ENROLLMENT

- Determine if you are eligible for Medicare (see the *Medicare and Your GIC Benefits* page for more information).
- Where you live determines which plan(s) you may enroll in. See the locator map below to see which Medicare retiree/survivor health plans are available in your area.
- See your *GIC Benefit Decision Guide* for additional eligibility details, benefit information, rates, and factors to consider when choosing a health plan.

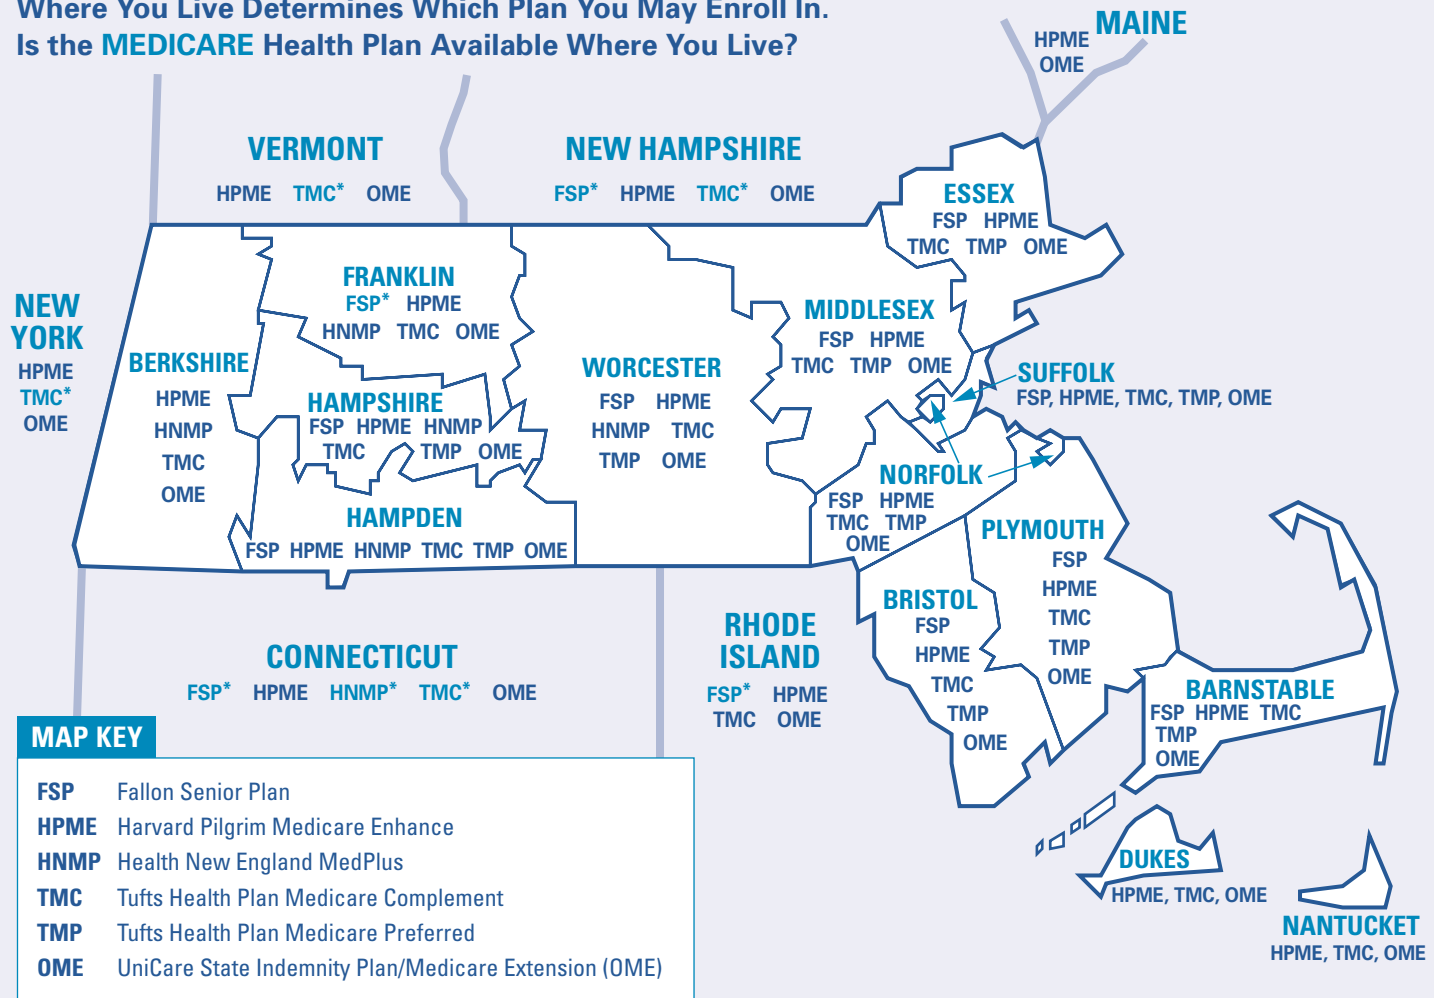

- Contact the health plans you are considering to find out:
 - Information on other health plan benefits that are not described in this brochure; and
 - Whether your doctors and hospitals are in the HMO network, if enrolling in an HMO plan.
- See the GIC's website (mass.gov/gic) for additional information.

*Keep in mind that if your doctor or hospital leaves your Medicare HMO's network during the year, you **must** stay in the plan until the next annual enrollment. In the meantime, your health plan will help you find another provider.*

MEDICARE HEALTH PLAN LOCATIONS

Where You Live Determines Which Plan You May Enroll In.
Is the **MEDICARE** Health Plan Available Where You Live?

The Harvard Pilgrim Medicare Enhance Plan and UniCare State Indemnity Plan/Medicare Extension (OME) are available throughout the United States.

* Not every city and town is covered in this county or state; contact the plan to find out if you live in the service area. The plan also has a limited network of providers in this county or state; contact the plan to find out which doctors and hospitals participate in the plan.

MEDICARE AND YOUR GIC BENEFITS

Medicare is a federal health insurance program for retirees age 65 or older and certain disabled people. Medicare Part A covers inpatient hospital care, some skilled nursing facility care and hospice care. Medicare Part B covers physician care, diagnostic x-rays and lab tests, and durable medical equipment. Medicare Part D is a federal prescription drug program.

When you or your spouse is age 65 or over, or if you or your spouse is disabled, visit Social Security's website or your local Social Security Administration office to find out if you are eligible for free Medicare Part A coverage.

If you (the insured) continue working after age 65, you and/or your spouse do NOT enroll in Medicare Part B until you (the insured) retire.

When you (the insured) retire:

- If you and/or your spouse is eligible for free Part A coverage, state law requires that you and/or your spouse enroll in Medicare Part A and Part B in order to be covered by the GIC.
- You **must** join a Medicare plan sponsored by the GIC to continue health coverage. These plans provide comprehensive coverage for some services that Medicare does not cover. If both you and your spouse are Medicare eligible, both of you must enroll in the same Medicare plan.
- You **must continue to pay your Medicare Part B premium**. Failure to pay this premium will result in the loss of your GIC coverage.

RETIREE AND SPOUSE COVERAGE IF UNDER AND OVER AGE 65

If you (the retiree), your spouse or other covered dependent is younger than age 65, the person or people under age 65 will continue to be covered under a non-Medicare plan until you and/or he/she becomes eligible for Medicare.

If this is the case, you must enroll in one of the pairs of plans listed below:

MEDICARE RATE CALCULATIONS AND REMINDERS

HOW TO CALCULATE YOUR RATE

See Separate Rate Chart

Retiree and Spouse Both on Medicare

Find the "Retiree Pays Monthly" rate for the Medicare plan in which you are enrolling and double it for your total monthly rate.

Retiree and Spouse Coverage if Under and Over Age 65

1. Find the "Retiree Pays Monthly" premium for the Medicare plan in which the Medicare retiree or spouse will be enrolling.
2. Find the "Retiree Pays Monthly" individual coverage premium for the non-Medicare Plan in which the non-Medicare retiree or spouse will be enrolling.
3. Add the two premiums together; this is the total that you will pay monthly.

HELPFUL REMINDERS

- Visit Social Security's website or your local Social Security office for more information about Medicare benefits.
- HMO Medicare plans require you to live in their service area. See the *Medicare Health Plan Locator Map*.

- You may change GIC Medicare plans **only during annual enrollment**, unless you have a qualifying status change, such as moving out of your plan's service area. Note: Even if your doctor or hospital drops out of your Medicare HMO, you must stay in the HMO until the next annual enrollment. Your Medicare HMO will help you find another provider.
- Most enrollees should not enroll in an individual federal Medicare drug plan.
- Benefits and rates of Fallon Senior Plan and Tufts Health Plan Medicare Preferred are subject to federal approval and may change January 1, 2017; you cannot change plans until the spring Annual Enrollment period. These plans, and the UniCare State Indemnity Plan/Medicare Extension (OME) Plan include Medicare Part D prescription drug benefits.

MARK THE DATE!
Annual Enrollment changes are due Wednesday, May 4 for changes effective July 1, 2016

- **Current members:** Send completed annual enrollment forms (mass.gov/gic/forms) to the GIC.
- **Retirees and survivors of municipalities and school districts joining the GIC:** Send completed forms, along with required documentation, to your GIC Coordinator.
